Inspectors Tell Nixon Only a Few
Local Trains Have Been
Added.

Inspectors for the Public Service Commission testified before Senate Committee on Commerce today that to their knowledge only a few local trains have been added to the New York City subway system. The committee was holding a hearing on a bill to increase the number of local trains on the subway. The bill was introduced by Senator Charles McNamara. The committee members were told that the subway system is still in a state of emergency and that the addition of more local trains is being delayed. JAIL BED COSTS HIM \$5.

Jacob May Go to Hotel Next Time.
Jacob Shukopsky, forty-five, No. 64 North Fourth Street, Brooklyn, walked into the Bedford Avenue Police Station last night, slammed 35 cents under the door, and demanded, "Give me a bed." A patrolman looked at him and said, "This is a police station." In twenty-five minutes Mr. Shukopsky was back, indignant, and with a dollar. "I know my rights," he said, "I'm a taxpayer. I want a bed." So they gave him the bed, and in fifteen minutes he was out. Jacob was charged with "Drunk and Disorderly" and fined \$5.

Nature's Sugar
Airline Honey is a real sweetener. "Pure Honey"—yes! But better than that—it's the real, old-fashioned Golden Delight that we loved so well and have sometimes missed so much. Airline Honey comes from a few flowers, selected by a fifty-year-old company of bee experts. It has only the one, real golden color—always the same old delightful taste.
